CLEARPOINT (#6)

Returning to a sprint after a couple of nice route efforts, she may prefer longer but she also figures to be flying in the stretch, choice.

Triple Tee (#7)

Raced very wide throughout when fourth in her last, she may be the quickest early in this field and go a long way on the lead.

MONDAY MYSTERY (#7)

Drew away to a big score on a wet surface in her most recent, she earned a big speed figure for that race and anything near that effort will win here.

Shouldaboxedit (#6)

Overmatched last when facing tougher, she drops back down in claiming price and this trainer/jockey combo just keep winning.

Second in her last, she moves outside today and should get a piece.

Has had a pretty good meet here this year, she can act from on or off the lead early and again looms the one to beat.

Rare Bear (#6)

Second after leading throughout in her last, she will have to deal with Especially Capable early today but she again must be caught.

Especially Capable (#7)

Steps up after a nice win last, she is hard to separate from the top choice.

SUPER STARLETT (#8)

Finished a close fifth in the Diane Kem stakes on Washington Cup day, she draws a nice post and seems most likely in here.

Courtly Slew (#5)

Beat similar on a sloppy surface in her most recent, she did receive a perfect trip that day but does appear the main threat to the top choice.

Soul Patch (#3)

Nice score over maidens in her last, she would be no surprise.

MUST BE JOKING (#6) Don't know why he's been away five weeks but he does come off a win, is bred to like the longer distance and Frazier is up, edge.

Don't Say That (#4) Dull effort last but that was against a good field for the level and he may also like the longer distance of this race, chance at a decent price.

Tony's Legacy (#5) Veteran is in good form and he should get a great stalking trip.

OFF THE HEEZY (#4) While he may have been helped by the wet track in his last two he again should have the lead early in here and he can make it four straight.

Mister Licorice (#3) Stretch runner finished a okay third in his last in a sprint try, he drops a notch in claiming price and the move to a route may do the trick.

Born'n Blue Genes (#1) Ran well for second in his most recent, he might get right trip.

Major Fib (#9) Third despite some trouble in his last, he will get clear sailing from this post.
