Capital Expense (#5)

Winner of three races at this distance in Arizona prior to a tiring fifth in his return effort at Emerald, he looms the one to beat.

0 for 6 at Emerald but he's in good form, might get right trip.

Even effort in a sprint try last, she drops in price, goes to a route and might be able to shake clear early in here, choice.

Merino Wool (#3)

Fourth in a fast heat for the level when sprinting last, he is bred to like routing and goes for the red-hot trainer/jockey combo.

My Sunshine (#6)

Nice third last, also in a fast heat for the level last, he has good tactical speed and should be in the battle right from the start.

Moon Time (#3)

Game effort in winning his last, he comes right back for the same level.

Connections drop this one in price and return to a sprint after a decent route effort last, he might be hustled to the lead early in here, expect big try.

Delta Delta (#4)

Comes off two game efforts in his two starts at Emerald, he faces a little tougher today but also should be right there from the start

Pedal to the Metal (#3)

Third when 21-1 against similar in his last, he has every right to improve.

HARBOR LASS (#2) Tired for fourth in a sprint try last week but she should be able to sprint clear early in this field and prove tough to catch.

Money Is Time (#4) Third in her first try on this surface and while that race came back slow, she figures to be passing many of these in the stretch.

Just Pin Me (#1) Moves inside and her effort one race back gives her a shot.

HARBOR LASS in the tenth.

**Today's Longshot:**

CODE CHARLIE in the third.
